

DATA PROTECTION INFORMATION

Data protection

According to the GDPR (the EU General Data Protection Regulation 2018) we must process personal data according to the six principles:

- Processed lawfully, fairly and transparently
- Collected only for specific legitimate purposes
- Adequate, relevant and limited to what is necessary
- Must be accurate and kept up to date
- Stored only as long is necessary
- Ensure appropriate security, integrity and confidentiality

You have a right to free information about your data that is stored by us and their use as well as, under certain conditions, a right to correcting, blocking or deleting the data. According to the GDPR, you also have the right to revoke your consent given for the gathering, processing and use of data at any time without stating a reason.

Gathering, processing and using data

We do not use Cookies, information gathered is provided by you.

We have taken technical and organisational measures that ensure data protection regulations are observed both by us and external service providers.

The personal data provided by you may be used by us to answer your enquiries, provide information, process your orders or to give you access to certain information.

Specific use

We shall only gather, process and use the personal data provided by you online for the purposes you informed us about. Your personal data will not be passed on to third parties without your consent. We only gather and use data for individual-related processing and use when you enter the data by choice or give your explicit consent.

Links

If you use external links that are provided in the scope of our web pages, this data privacy statement does not cover these links. When we provide links, we make every effort to ensure that they also meet our data protection and security standards. However, we do not have any influence on the observance of data protection and security regulations by other suppliers. Therefore, please inform yourself on the web pages of the other suppliers and also about the data privacy statements available there.

Self-protection options and anonymity

It is up to you which information you wish to disclose during your visit.

Right to be informed

You can obtain information about the data we have stored about you at any time. If this is the case, please contact our company's data protection officer.

Security

We have taken technical and organisational security measures to protect your personal data against loss, destruction, manipulation and unauthorised access. All of our employees and third parties involved in the data processing are obliged to observe the Data Protection Act and the confidential handling of personal data. Our security measures are continuously monitored and revised.

Cookies

We do not use them.

Changes

We endeavour to keep the information up to date and correct; however, we cannot guarantee the completeness, accuracy or availability of information, products, services, or related graphics contained on the website for any purpose. Please ensure you have the latest information.
